

Exercise: Git and GitHub

Problems for exercises and homework for the "Software Technologies" course @ SoftUni

1. Register a GitHub Profile

Register for a free **developer account** at GitHub: <http://github.com/>

Add a screenshot to your profile here:

2. Clone a Repo

Navigate to <https://github.com/SoftUni>. Find a repo that you like. We have books that might interest you. Clone a repo of your choice in your profile.

Provide a picture of the cloned repo here:

github.com/MariyaSpasova

3. Download a local copy of the repo to your computer

Using GitBash or GitHub Desktop, download a local copy of the repo to your computer.

Add a picture of the folder here:

Programming-Basics-Book-Pyl

Desktop > PublicSoftUniRepo > Programming-Basics-Book-Python-EN
